To print an individual page, perform the following operation within Excel after you have successfully downloaded the Public Use File.

1. Open the Excel file.

2. Select "File" from the Tool bar.

3. Select "Print…..".

4. Within the print range section deselect "All" and select "Page(s)", then enter the page range from the index above. If the page you select is a single page, you must put the same page in the "From" and "To" fields.

5. Select OK to print the page(s).
